FATHER SITTER is a loving person who is very devoted to Forest Ridge. One of his philosophies is "You can't add apples and oranges." He is known for his tic tacs, flying erasers, and tennis balls. He likes to persuade students to enjoy algebra by a challenge of "I'll betcha a bacon burger, Baby!"

This yearbook is dedicated to Father Leonard Sitter, who has aided all students in finding an inner love which they never knew existed.

Thank you, mon pere. We have your number.
